

2019 TRIPLE TREE AERODROME IMPACT REPORT

Executive Director's Message

The past year has been a wonderful experience for my family as we were welcomed into the Triple Tree family. Triple Tree has grown from its humble beginnings in Greenville, SC to an internationally-recognized aviator's paradise near Woodruff, SC. Even with all this growth we have not, and will never lose sight of our core values of Fun, Fellowship, and Hospitality. Thanks to generous support from our volunteers and partners, we have developed a wide-ranging aviation event schedule. Each of these events helps to maintain our world-renowned facility and fund our Aviation Centered Education (ACE) portfolio. Together we work diligently to ensure our organization is financially sustainable for future generations. On behalf of the Board of Directors, I am proud to share with you this Impact Report and thank you for your continued support of the Triple Tree Aerodrome.

Sincerely,
Robb Williams

Mission

To ignite and expand the passion for aviation by utilizing our world-renowned facility and dedicated volunteers to provide aviation-based STEM educational programs that provide the necessary skills to succeed in the global community.

Core Values

Fun, Fellowship and Hospitality

Guiding Principles

We must maintain the heritage of the past but look to the future.

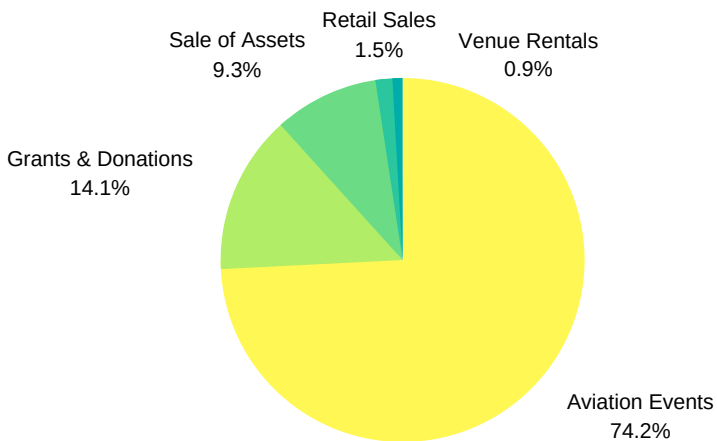

We must show appreciation for volunteers and staff and foster mutual respect.

We must be ethical, excellent and professional.

We must manage growth, embrace change and take a leadership role within the aviation community.

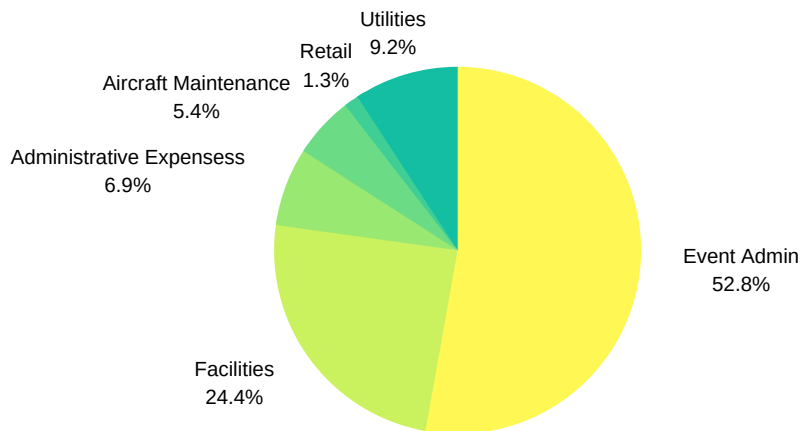

We must continue to evolve as an organization and a business.
