

Joe Nall Week

Fun, Fellowship and Hospitality

May 6th - 14th, 2022

It's time to register as a vendor for the 2022 Joe Nall Week!

SHOW CENTRAL...

We'll be allowing limited vending at show central this year. Like last year, we'll use the top and bottom sides, the row across from the gazebo (15 X 15 max tent size here) and to a more limited amount, the inside track. These spaces will all be \$60 per frontage foot with a maximum depth of 30 feet. The two sponsor spaces will be \$100 per foot. (The 15x15 row will be \$50 per frontage foot.)

ELECTRIC FLIGHT LINE...

There is a slab-floored, covered and partially enclosed building at the electric line. We'll have a limited number of spaces available here. These will be the ONLY vendor spaces available at the electric line. There will be no parking next to the building. There will be no RV parking on the flight line side of the road. (Call Mike Gregory for price 864 313-6572)

3D LINE...

The sponsor spaces at the front will be \$50 per foot and the side rows will be \$30 per foot.

VENDOR ROW...

Moving the food tent into Vendor Row last year had a VERY positive effect on traffic, so we will continue this layout. Red spaces will be \$40 per frontage foot. Blue spaces are \$25 per frontage foot. Green spaces are \$15 per frontage foot. . Red, Green, and Blue spaces are 30 feet deep total.

***NOTE:** If you have set-ups at more than one Vendor location, there will be a 10% discount.

GENERAL GUIDELINES...

PARKING BEHIND YOUR BOOTH... Whatever you intend to park behind your booth will be limited to the length of space purchased and limited to 30 feet total depth. PLEASE keep in mind this will include tongues and rear doors or ramps when open. Parking behind your booth is intended for stock trailers or the like. There will be NO RV or camper parking in vendor row. Also, in most cases, we can't get any parking right behind the sponsor spaces at show central. Other than a few exceptions, all spaces assume a maximum depth of 30 feet to include your tent and/or whatever you park behind.

CAMPING... Camping will be \$20 per night without services. This charge is for each camper or R/V not by the individual. We will have limited premium camping sites available for \$275 for all or any part of the week. THESE SPOTS WILL HAVE WATER AND 50 AMP SERVICE and are located across the road, behind the shop and training buildings. If you need black water service, the Port'a'John guys will pump it for a fee. Let us know where you would like to camp.

ELECTRIC POWER... Electric power will be available for all vendor booths at \$5 per day. This will only be 15 amp service and is intended for point of sale, lights, computer etc. (no high power equipment like a CNC, etc. And, NO RV or Camper parking will be allowed behind booths.

PERSONNEL... If you are registering as a pilot also, or want a golf cart, please go to our website www.tripletreeaerodrome.com. Pilots and vendor's spouses are no daily charges. You and vendor personnel with you, not registering as pilots, will be charged \$10 per day with a \$50 max each.

VENDOR SET-UP... Vendors will be allowed on vendor row beginning at 8:00 am on the Wednesday before Joe Nall Week. This access will be allowed to stock your vendor area and to move the vendor camper to the designated vendor camping area. Vendor team pilots may walk "over the hill" to help you but no one other than the Vendor site "owner" will be allowed to set up any trailer, tent, RV, or "mark" any site prior to the official opening on Friday at 3:00 pm. The Vendor site "owner" will be allowed to move only their camper, RV, etc. Any support persons associated with the Vendor will be asked to wait in line, along with our other guests, until the official release on Friday. Flight line tents and trailers cannot be set up in advance of the official release. Keeping safety in mind, we are kindly asking that starting on Sunday there will be no car traffic on the roads between the model shop and the general store. We ask that all vendors use the designated vendor parking area and enter and leave the property on the service road.

Vendor Breakfast Learning Center Thursday May 12, 2022 8:30am

ALL VENDOR TENTS MUST INCLUDE SIDES

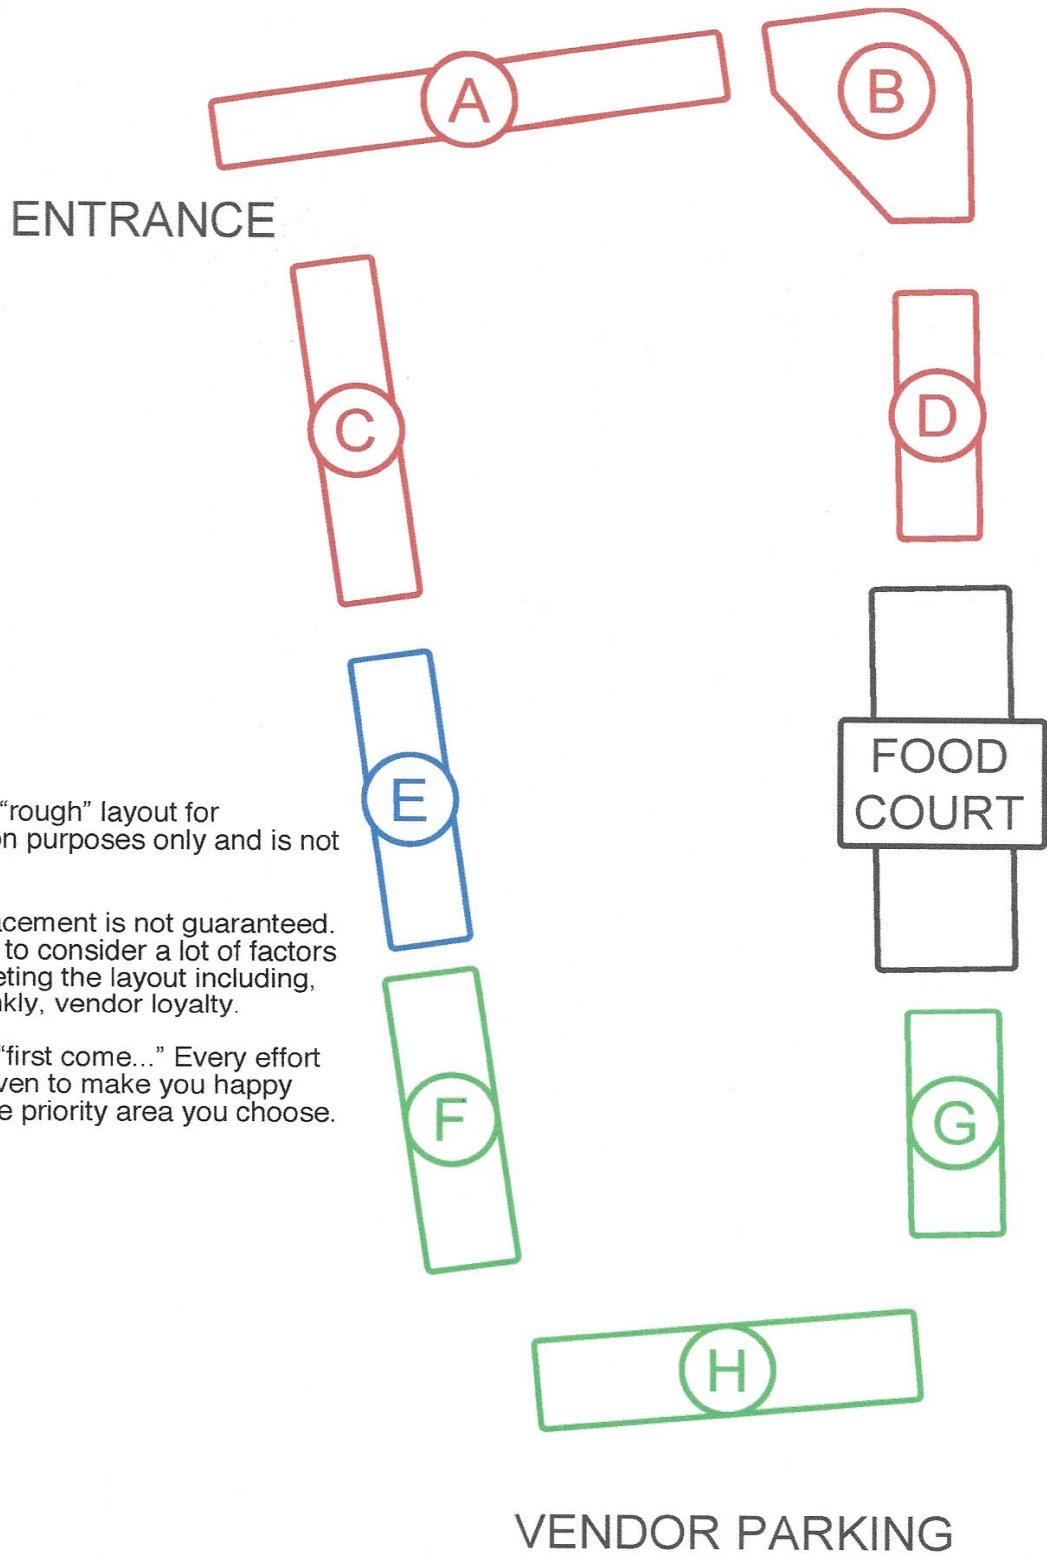

NEW TENT PRICES

RENTAL ITEMS...

Tents with Sides

15x15	\$850.00

40x100	\$6750.00 No Sides
Table 6Ft	\$15.00 each
Table 8Ft	\$15.00 each
Chair	\$3.00 each

"PLANNED" VENDOR ROW ARRANGEMENT

This is a "rough" layout for discussion purposes only and is not to scale.

Exact placement is not guaranteed. We have to consider a lot of factors in completing the layout including, quite frankly, vendor loyalty.

It's NOT "first come..." Every effort will be given to make you happy within the priority area you choose.

Joe Nall Week

Fun, Fellowship and Hospitality

On behalf of the Triple Tree Aviators, we want to thank you for your participation and support for the 2022 JOE NALL WEEK.

2022 VENDOR PROMOTIONAL GUIDELINES

*To help us organize the layout of Joe Nall Week, we ask that all vendors have “front-facing” tables and/or displays for product promotion and/or vending - to be a functioning “booth” for your wares.

As a vendor, you will be entitled to promote, display and sell your products. Of course, ALL vendors are free to attach and display banners directly to their tent both inside and out. The display of any further promotional items anywhere else on the property will be constrained as follows:

* Vendors with invoices totaling \$1,400 - \$2,999 in total charges will be entitled to:

- * One display banner on the far side of both the classic and 3D runways approximately 8-10’.
- * No more than 4 sails, banners or flags total along the roadways and common areas including in front of your tent. Those items placed along the driveway will maintain a separation of at least 30 feet from the flags of other vendors.

* Vendors with invoices totaling \$3,000 or more in total charges, will be entitled to:

- * One display banner on the far side of both the classic and 3D runways approximately 20’ in length.
- * One display banner for the front gate not to exceed 6’ in length.
- * Three banners on the classic flight line picket fence.
- * No more than 8 sails, banners or flags total along the roadways and common areas including in front of your tent. Those items placed along the driveway will maintain a separation of at least 30 feet from the flags of other vendors.

*Triple Tree Aerodrome, Inc. and all subsidiary Logos, mastheads and related artwork may only be reproduced by permission on any item sold.

* Trash: Please police your area, pick up your trash and cigarette butts always! We are a “PACK IT IN” “PACK IT OUT” event. All vendors will be expected to see to the cleanup of their site. The trash cans are NOT for your shipping boxes.

* All vendors will constrain their product displays to the confines of their purchased space. No aircraft, display boards etc. will be allowed in the aisles.

* Any vehicles and/or trailers that you want parked directly behind your space, must be no longer than the space purchased (Remember to measure including the tongue and any rear doors or gate that you will need to open). We will work with you to try and park any other or oversize trailers as near to you as possible. In most cases, these item(s) must be parked parallel and not perpendicular to your booth.

“Vendor” spaces directly on the Classic and/or 3D Flight Lines may or may not have parking available directly behind your tent.

*You will please agree to remove or assign to a common carrier for removal, all equipment by 2 PM Mon. May, 16th 2022

Joe Nall Week

Fun, Fellowship and Hospitality

May 6th - 14th, 2022

APPLYING FOR SPACE... To apply to be a Vendor, just reply to this email and answer the following (Number your responses accordingly), and please answer all questions. I'll also be happy to just take your registration over the phone. Between now and Joe Nall, I'll be on the phone a lot. Please leave me a message if I don't answer and I will get back to you shortly... 864 313-6572.
