

2023 Triple Tree Aerodrome's Young Aviator's Fly-In **CAMPING INFO**

WELCOME TO TRIPLE TREE AERODROME!

The home of fun, fellowship, and hospitality!

Thank you for joining us for the 2023 Young Aviator's Fly-In! Please, make yourself at home and enjoy our amenities and world-class camping while you explore our 400 acres of property here in Woodruff, SC. Take a hike on our trails on the North end of the property, or enjoy the scenery along the banks of the Enoree River, flanking the South end of the property. A couple of things to ensure we have a fun, yet safe, weekend:

- The strict speed limit on all roads at Triple Tree is 12 M.P.H.
- No vehicles or pedestrians are permitted on the runway at any time.
- Please use our shuttles (when operating) to get between the 'Upper' and 'Lower', as this keeps traffic off our road and makes it safer for everyone.
- Restrooms and shower houses are located on both the North and South sides of the property. They are at spot #2 on both the 'Upper' and 'Lower' on the Event Map.
- For this event, Triple Tree will have a medical transport crew onsite during the day, and a sheriff's deputy onsite overnight.
- We ask the generators that are louder than 60db, at a distance of 50 feet, be shut down by 10 p.m.
- For safety, we ask that Motorhomes/RVs only be moved between sunrise and sunset.
- Dump stations are located on-site and are available free of charge to premium campers.

Be sure to check out the Event Map and Schedule for special events, activities, and dining throughout the weekend!
