

AN UPDATE FROM TRIPLE TREE AERODROME

AVICOM 2024

JANUARY 2024

HIGH SCHOOL AVIATION TEAMS SOAR IN PREPARATION FOR AVICOM 2024 STATE CHAMPIONSHIP

(Woodruff, SC) – Triple Tree Aerodrome congratulates the outstanding teams who have clinched the coveted title of district champions, earning the privilege to compete in the AviCom 2024 State Championship! This achievement is a testament to your unwavering dedication, hard work, and exceptional accomplishments.

AviCom 2024, organized by Greenville Technical Charter High School and supported by the Triple Tree Aerodrome, is a gathering of talented teams from diverse districts, each vying for the opportunity to compete for the esteemed state title. The regions, based on congressional districts, are designed to foster fair and spirited competition, and showcase the best of South Carolina's vibrant aviation education community.

Regional Champions

- Academic Magnet High School
- Academy for the Arts, Science, and Technology
- James F. Byrnes High School
- Lexington High School

At Large

- Experimental Aircraft Association- Chapter 249

Automatic Bids

- Columbia High School (Host School)
- Philip Simmons High School (Returning Champion)

The diverse representation from districts across the state not only underscores the richness of South Carolina's aviation education landscape but also highlights the collaborative spirit that defines AviCom as a truly inclusive and inspiring event.

As we eagerly anticipate the AviCom State Championship, the entire state looks forward to the thrilling showdown that will unfold on Friday, February 23, 2024, at the Challenger Learning Center in Columbia, SC.

We extend our best wishes to each team, their dedicated educators, and supporters. South Carolina's aviation community stands united in applauding your achievements and eagerly awaits the inspiring journey ahead.

Triple Tree Aerodrome (SC00) is a 501(c)3 non-profit organization located in Woodruff, South Carolina. The facility is home to many world-class radio-control and general aviation events, such as Joe Nall Week and the Triple Tree Fly-In, and operates year-round to facilitate educational opportunities within our Aviation Centered Education (ACE) portfolio.
